## PLANT-BASED PROTEIN DRINK

Item No.: 5449140

Discover the power of vegetables with our vegetable protein shake! Each serving provides more than 15g of vegetable protein, which is used to maintain and build fat-free muscle mass.

The shake was developed based on oat fibre, sunflower protein, soy protein and pea protein and is the optimal vegetable protein drink for vegans.

This easily prepared powder is a healthy protein source and can be enjoyed before or after physical exercise. Vegetable proteins offer support by providing energy, contributing to wellbeing and keeping you full for longer. They fit perfectly into vegan lifestyles and are also very easy to digest.

### Benefits

- High-quality non-milk protein sources from soy, peas, sunflower seeds and pumpkin
- More than 15g of vegetable protein in each serving
- Proteins contribute to the growth and maintenance of muscle mass
- Contains dietary fibre: oat fibre and inulin
- Natural flavour
- Suitable for a vegan diet

Also available:  
Plant-Based Protein Drink without soy

- High-quality non-milk protein sources from oats, peas, rice, sunflower, hemp
- 15g of vegetable protein in each serving
- No soy
