ISO DRINK

Item No.: 5449144

The refreshing isotonic drink supplies the body with additional calcium, magnesium and vitamin C during exercise. The vitamin C in the drink protects cells from oxidative stress while magnesium contributes to healthy muscles. The ISO drink also reliably compensates for the loss of water, minerals and vitamins, thereby preventing any drop in performance. The ingredients are easily absorbed by the body and do not impact the stomach.

Benefits

- Compensates for the loss of water, vitamins and minerals during prolonged physical exercise
- Refreshing isotonic drink
- Only 73 calories per 500 ml
- Contains calcium and magnesium
- Contains vitamin C
- Six fruity flavours
- No fat (< 0.5g fat in 100ml product)
- Handy single-portion packs
- Easy preparation

i

Isotonics

- Prolonged performance requires optimum access to micronutrients and fluid, which the body loses through sweating.
- Isotonic drinks have the same number of dissolved particles as the blood; they effectively compensate for lost minerals and water.
