PROTEIN SHAKE – ZERO CARBS

**THE READY-TO-DRINK (RTD) PRINCIPLE:
OPEN, DRINK, DONE.**

Our protein shakes are perfect for all athletes who want to devote their time to training and not waste it by stirring powder into water. With our RTD products, you can offer your target group real added value: Nutritionally valuable proteins with high availability - and less than 1 g of carbohydrates!

RTD products are the ideal supplement to conventional instant powder shakes. They are immediately within reach while on the go and are simply the perfect product before or after physical exercise in the gym or outside.

Benefits (Flavour chocolate)

- 50 g protein from milk and whey proteins
- Protein contributes to the build-up and maintenance of muscles
- Fat-free [less than 0.5 g/100 ml]
- Sugar-free [max. 0.5 g/100 ml]
- More than 10 g BCAAs
- Gluten-free
- With Sucralose
- Full-bodied taste
- Creamy texture
- Ambient shelf life: 9 months

i **Whey proteins with their high biological value have a physiologically valuable structure:**

- They act quickly and effectively in the muscle cells and are easy to digest.
- They are transported promptly to the muscles, are readily available and are a source of nitrogen which is needed for the synthesis of other important amino acids in the muscles.
